

**Dear Retailer,**

Time is running out to sign up to run Pokémon *BREAKpoint* prerelease events this January!

If you would like to:

- Run Pokémon Prerelease tournaments
- Host regular League sessions to support the local Pokémon community
- Be on the list of established retail locations as we expand your access to terrific support
- Get on the path toward hosting even bigger Pokémon events

We can walk you through the steps to create your account and submit your application.

Once we have you set up with an active Pokémon League, you will have the opportunity to host Pokémon TCG Prerelease events. This Prerelease event access will allow established retailers to order Prerelease kits from their choice of approved distributors. These kits provide promo cards for the event and are specially priced to move. Kit quantities will be limited for new Prerelease event organizers; future allowances will be based on reported attendance. The deadline to order *BREAKpoint* Prereleases kits is December 4<sup>th</sup> **so call us now!**

To get started, please contact Carlton Lonergan at (425) 229-6224 or [c.lonergan@pokemon.com](mailto:c.lonergan@pokemon.com).
